

PODIATRY WA AND BOAB HEALTH ARE PLEASED TO ANNOUNCE
THE CONFERENCE'S KEY NOTE SPEAKER
MR PETER LAZZARINI
BAppSci (Pod), PhD Candidate

THE FOOT AT RISK

PRELIMINARY PROGRAM

Pete is a Queensland Health and Queensland University of Technology Research Fellow (Podiatry) and serves on many national diabetes and podiatry advisory committees.

His research interests are in foot ulcer and diabetic foot disease and he is particularly motivated by research that reduces foot-related hospitalisation and amputation. After leading a number of Queensland diabetic foot research projects Pete has recently established a foot disease research program. Pete is currently completing his PhD investigating the prevalence and associates of foot disease in inpatient populations.
